Justice Ministry at SEAS

Currently for the 2020/2021 year we have 37 members in our ministry. These are dedicated persons who believe that if we genuinely love our neighbors as ourselves, as God commands us to do, then we must enter into just relationships with our neighbors. We strive to make Lexington a better place for all to live in.

We thank all of those who came to the Community Problem Assembly (CPA) held on zoom this year. As a congregation we had a great attendance. Those who attended have fulfilled their first responsibility as a network member. Thanks for taking the time. You are the most important part of our organization. You are the leaders who will bring out 160 SEAS parishioners to the Nehemiah Assembly (NA) in April.

Our next activity is the Research Kick-off. At this Zoom meeting on December 7th at 6:30 PM we will cover the status of the current issues being worked and discuss the future work that is ahead of us before the NA. Participating in the Research phase is very rewarding because one gets to understand the issues in more depth, and one gets to see how the recommendations are formulated and how the group prepares for the eventual official ask at the NA. Come and be part of the Kick-off and see if working on the research teams is something you would like to do. All network members are invited. Registration is required, so contact your Team Member listed below.

As this messy 2020 is winding down we are also closing our Congregational Investment drive for 2020. If you have neglected to send in your investment this year, please talk to your Team Member. There is still time to make good on that commitment before the end of the year. The funds are needed this year more than ever since so many of our sister churches can only send in partial investments due to the pandemic. This is the season to be generous and justice is a great investment for all of us. God will review what each of us have done with whatever we receive over our lifetime.
